This letter is to let the postal services know that there is a need for our post office. We people here in McFarlan we take great pride in our belongings. If there is no Postal service then our little town will fall apart and we are trying our best to keep it together. There is no crime here and all our neighbors are so very wonderful. Isn't that what we as Americans need and want is a piece of security and a piece of mind. We here are begging you guys to leave our Postal services here in McFarlan.

There was a town named Sneedville that went thru the same thing back in the days and now the only thing that is left of that town is a cemetery. We don't want this to happen to our town. We are proud of our town and we will be very honored if you guys just help keep it that way. Leave our 28102 in 28102. That is the reason the appeal was set. Now I don't know how to write a business letter to your world standard but all we know is that our post office has been here for many decades and we want it to stay that way.

Respect-

Thanks

Cleveland Milton
